# Wichita Citizen Review Board

# Who We Are

## Description

The Wichita Citizen's Review Board assists the Wichita Police Department with community concerns. The Board conducts reviews of post-discipline findings of the Wichita Police Department. The thirteen (13) members are appointed by the Mayor, City Council and City Manager and serve a term of two (2) years.

## Purpose

The purpose of the Wichita Citizen's Review Board is to advise and assist the City of Wichita and its police department in policy development, education, community outreach and communications related to police community relations. The Board will work to create a dialogue between community representatives and the Wichita Police Department. A primary purpose of the Board will be to improve relations between law enforcement and the community and be available to provide community perspective on policy, programs, and priorities of the department. **City Ordinance 2.10.020**

# The Findings

Following an investigation, the Professional Standards Bureau will notify the individual making the complaint in writing of the findings. There are four (4) possible findings:

- **Sustained:** An allegation is supported by sufficient evidence to justify a reasonable conclusion of a violation of policy.
- **Not Sustained:** Insufficient evidence exists to either prove or disprove the allegation
- **Exonerated:** Incident occurred, but was lawful and proper.
- **Unfounded:** Allegation(s) is (are) false or not factual.

You may submit a request to the Wichita Citizen's Review Board to review your complaint. Email your review request to **CRB@wichita.gov** and one of the board members will contact you.
